AGENCY: Federal Emergency Management Agency; DHS.

ACTION: Final rule; correction.

This rule provides corrections to that table, to be used in lieu of the information published. The table provided here represents the final Base (1% annual-chance) Flood Elevations (BFEs) and modified BFEs and communities affected for St. Charles County, Missouri and Incorporated Areas.

DATES: Effective [insert date of publication in the Federal Register]. The date of issuance of the Flood Insurance Rate Map (FIRM) showing BFEs and modified BFEs for each community may be obtained by contacting the office where the maps are available for inspection as indicated in the table below.

ADDRESSES: The final BFEs for each community are available for inspection at the office of the Chief Executive Officer of each community. The respective addresses are listed in the table below.

FOR FURTHER INFORMATION CONTACT: Rick Sacbibit, Chief, Engineering Services Branch, Federal Insurance and Mitigation Administration, FEMA, 400 C Street

SUPPLEMENTARY INFORMATION: On October 26, 2015, FEMA published in the Federal Register a final rule that contained an erroneous table. This rule provides corrections to that table, to be used in lieu of the information published at 80 FR 65162 - 65164.

The Federal Emergency Management Agency (FEMA) makes the final determinations listed below for the modified BFEs for each community listed. These modified elevations have been published in newspapers of local circulation and ninety (90) days have elapsed since that publication. The Deputy Associate Administrator for Insurance and Mitigation has resolved any appeals resulting from this notification.

This final rule is issued in accordance with section 110 of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4104, and 44 CFR part 67. FEMA has developed criteria for floodplain management in flood prone areas in accordance with 44 CFR part 60.

Correction

In the final rule published at 80 FR 65162 - 65164 in the October 26, 2015 issue of the Federal Register, FEMA published a table titled “St. Charles County, Missouri, and Incorporated Areas”. This table contained inaccurate information as to the community name for the City of Dardenne Prairie featured in the table.

In this document, FEMA is publishing a table containing the accurate information. The information provided below should be used in lieu of that previously published.
